EXPERIENCE

Senior Digital Designer | *Jonathan Adler*
January 2026 - Present

- Design and build daily email campaigns (Figma to Klaviyo) and weekly SMS broadcasts for 1.8M+ subscribers across US & UK markets, driving $1M+ in monthly revenue.
- Create Meta ads and build dynamic variations using Marpipe.
- Design custom landing pages for brand collaborations, including Michaels and Hillarys.
- Redesigned the Amazon storefront and create homepage banners, seasonal gift guides, and curated style guides to boost web engagement.
- Build email and web style guides and partner with web developers for smooth site launches.

Digital Designer | *Baked by Melissa*
March 2022 - August 2024

- Led design of emails (with a subscription base of 1 million+), paid social ads, web pages, and out-of-home and in-store displays for product launches and seasonal campaigns.
- Redesigned emails, modernizing layout and style to improve visual appeal and boost click-through rates.
- Collaborated with the B2B team to create newsletter campaigns, social ads, and custom packaging materials for our corporate clients.
- Provided creative direction for quarterly photo and video shoots, ensuring visuals matched the campaign goals and brand identity.
- Supported retouching, cropping, and preparing assets for all marketing materials.
- Designed and maintained PowerPoint templates for brand partnership pitches.

Junior Designer | *JNF-USA*
October 2021 - March 2022

- Owned marketing materials across print and digital, including invitations, event signage, and website content.
- Designed assets for fundraising campaigns totaling $113M+ in donations.
- Collaborated via Salesforce to manage design requests and maintain deadlines.
- Participated in internal presentations to align team members and stakeholders on creative direction.
